The Mississippi native has mentored NCAA champions during each of his head coaching stops at Ole Miss, Florida and Mississippi College.

At least one of his athletes or former athletes participated in every Olympic Games from 1976-2000 and then again in 2008.

His love for teaching and mentoring young people to excel on the track and in all areas of life was rewarded in 2002 when he was named the USOC National Track and Field Coach of the Year.

Needless to say, Walker has compiled quite the coaching resumé.

His smile is bigger than ever these days because, in addition to being able to offer potential athletes his coaching expertise, he can also display recruits to the Ole Miss Track & Field Complex and state-of-the-art indoor collegiate facilities and training environments in not just the United States, but the world.

A quick look at Walker's file and you will find someone who seemed to be born to coach. His father was a coach and Walker became one of the youngest collegiate head coaches at age 23 when he was hired at Mississippi College in 1970.

Because he thinks of himself as a teacher first and foremost, he is known in the coaching profession as someone with the knack for developing talent, having coached athletes to 70 SEC individual championships (57 at Ole Miss, 13 at Florida) and eight SEC relay championships. Twice his relay teams have set what at the time was an SEC record.

Walker's record with team championships is equally as impressive. His teams have won five SEC men's championships and were SEC runners-up once. On the national scene, he has produced several top-20 teams. His men's indoor team at the University of Florida was third in the NCAA and his cross country team finished eighth at the NCAA's. His Mississippi College team was fourth in the Division II NCAA Outdoor Championships.

2011: Ole Miss excelled at a high level in 2011, as the men's indoor team finished 11th in the nation and the women's indoor team finished 23rd in the country. The men's outdoor team would go on to claim 19th at the NCAA Outdoor Championships, as well. Ten different Rebel athletes earned a total of 13 All-America honors, including NCAA runner-up performances by Ricky Robertson (indoor and outdoor high jump) and Mike Granger (indoor 60 meters). Robertson (high jump) and Lee Ellis Moore (400 meter hurdles) were both crowned SEC Champions, as Robertson accomplished the feat in the indoor and outdoor season. Lee Ellis Moore, Sofie Persson and Barnabas Kirui were Academic All-Americans, and Moore earned SEC Men's Scholar-Athlete of the Year and NCAA Top VIII honors.

2010: The men finished 20th at the NCAA Indoor Championships behind All-American performances by Ricky Robertson, Brian Knight and Mike Granger. Sofie Persson was also an Indoor All-American in the 800 meters, and Robertson and Colin Moleton were named Outdoor All-Americans. During the summer, Granger won the U.S. Junior Championship in the 100 meters and was a member of the U.S. 4x100 meter relay team that won a gold medal at the World Juniors, while he finished fourth in the World Juniors 100. Barnabas Kirui capped his track career with his second career SEC Outdoor Runner of the Year honor and SEC Commissioner's Trophy for scoring the most points at the SEC Outdoor Championships. His brother, Martin, won the 3,000 meter steeplechase. Lee Ellis Moore was named an Academic All-American first team member.

2009: With very young teams in 2009, Ole Miss still had four NCAA Outdoor All-Americans in Lee Ellis Moore, Derek McGuire, Colin Moleton and LaJada Baldwin. Moore, Baldwin and Wale Odetunde each qualified to compete at the USA Track and Field Championships. Thrower Juliana Smith claimed the individual title in the weight throw to become only the second female in school history to win an SEC Indoor Championship. During the outdoor season, Odetunde was crowned SEC champion in the triple jump, while Baldwin accomplished the feat in the 400 meters.

2008: In 2008, the women's team had its best season in school history as the Rebels finished in sixth place at the SEC Indoor Championships to tie the school record for highest finish ever at the event. In addition, the women's team set a new school record by compiling a total of 49 points to shatter the old record of 32 points set during the 2007 season. Weeks later, the women's team finished in 13th place at the NCAA Indoor Championships to mark the highest indoor finish in school history. The 2008 women's team also finished in sixth place at the SEC Outdoor Championships and set a new school record for points at any SEC meet by finishing with 73 points. That team went on to post a 15th-place finish at the NCAA Outdoor Championships after collecting a total of 14 points to cap one of the greatest seasons in school history.

The 2008 Ole Miss track and field team had 12 athletes named to the MidEast All-Regional team, had a record 13 athletes advance to the NCAA National Championship meet and featured four athletes selected as NCAA All-Americans.

2007: In 2007, Ole Miss had a then-record nine athletes advance to the NCAA National Championship meet. At the 2007 NCAA Outdoor Championships, the men finished 12th, which is Ole Miss' highest outdoor finish ever. The women also recorded Ole Miss' highest outdoor finish at that time by taking 27th place. At the 2007 SEC Outdoor Championships, the women's team scored the most points in school history. During the 2007 outdoor season,

both squads had the second most points in school history.

2006: In 2006, the program saw its first SEC Cross Country champion in 13 years. Freshman Barnabas Kirui became the first Ole Miss runner since Pablo Sierra in 1992 to win the SEC championship. Kirui did not finish outside the top 10 all season and was named the SEC Freshman of the Year and SEC Athlete of the Year by the league's coaches.

Always known as a long jump specialist, Walker has coached the famous Larry Myricks, who made four Olympic teams; Ralph Spry, the first-ever Ole Miss track & field NCAA champion; Tisha Parker, who at the time held the SEC outdoor record and was the first Ole Miss female to win an SEC title; Savante' Stringfellow, who won three NCAA titles and had a great international career while making the 2000 Olympic team; Shantel Glass and Charles Bailey, who won SEC titles; and Marquita Aldridge, who was also on the USA world junior team.

Most recently, he has coached quite possibly the greatest female athlete in school history as he helped Brittney Reese become one of the most decorated athletes in school history. As a sophomore in 2007, Reese won both indoor and outdoor SEC titles in the long jump, was the NCAA runner-up in the long jump and finished eighth at the USA World Championships. In her final season at Ole Miss in 2008 before turning pro, Reese captured the SEC titles in the long jump and high jump en route to winning the SEC Commissioner's Trophy for accumulating the most points during the course of the meet. Her 31 points scored were the most by any athlete in school history. Reese went on to become the first female in school history to win an individual NCAA Championship as she accomplished the feat in the long jump at the NCAA Indoor Championships. She also finished third in the high jump and was named an NCAA All-American in both events.

Reese continued her dominance under Walker at the

SEC Outdoor Championships as she was crowned the SEC Champion in the long jump. With that distinction, Reese became just the third athlete in school history to win back-to-back SEC Championships. Once again, she also captured the SEC Commissioner's Trophy and finished the weekend with 27.25 points. Reese went on to win her second NCAA title of the season as she was named the NCAA Champion and an All-American in the long jump when she recorded a mark of 22-09.00 to equal the longest jump in the world at that time. Reese capped her sensational season by finishing first in the long jump at the U.S. Olympic Trials with a school record leap of 22-09.75, becoming the fourth track and field athlete in school history to compete for the United States in any Olympic Games. Reese finished fifth in the long jump at the 2008 Olympics in Beijing and was the top American finisher in the event. In 2009 she established herself as the top female long jumper in the World with victories at the World Championships and World Athletic Final and finished the season with the longest jump in the world with a 23-03.50 leap. She again won the long jump at the 2010 and 2011 World Championships, establishing herself as the world's best in the event.

Walker's legacy is also strong in the triple jump. Alvin

Haynes came to Ole Miss as a 50-00.00 triple jumper and finished with a personal best mark of 54-09.00. He was a two-time SEC outdoor champion and twice SEC indoor runner-up, as well as being a member of the Barbados Olympic Team in 1992. Brandon Atkinson was the SEC runner-up in the triple jump in 2005 in both the indoor and outdoor seasons. Recent graduate Adewale Odetunde was a multi-time SEC scorer in both the long and triple jumps. Odetunde capped his career at Ole Miss by winning the individual title in the triple jump at the 2009 SEC Outdoor Championships, becoming the first Ole Miss athlete to accomplish that feat since Haynes in 1992.

Walker once again returned to coach the sprints in 2009 after assistant coach Greg Stringer was hired to work with the Rebel jumpers. During his time at Florida, Walker's sprint team finished 1-2 in 1987 and then went 1-2-3 in the 55 meters at the 1988 SEC Indoor Championships. Two of his pupils, Dennis Mitchell and Mark Everett, went on to become Olympians, and Mitchell held the indoor collegiate record in the 200 meters under Walker. Walker also coached Denise Mitchell, the twin sister of Dennis, to an NCAA runner-up finish in the 400 meters. Denise went on to become a member of the 4x400 meter relay team that captured a gold medal at the World University Games.

During his tenure at Ole Miss, Walker has coached Greg Saddler, Tony Dees, Clarence Daniel, Wally Bumpus and Mike Granger, who were either school record holders and/or SEC Champions. Saddler won an NCAA Indoor Championship in 1994 in the 55 meters under the direction of Walker. His 1984 and 1993 4x400 meter relay teams set what were SEC records at that time. Three of the top 100 meter runners in school history were coached by Walker, and four of the top five men's 400 meter times at Ole Miss were coached by Walker. In addition, all of the top five 400 meter hurdlers at Ole Miss were under the tutelage of Walker. Walker also coached Angie Clay, who is one of the most decorated female sprinters at Ole Miss and is now a member of the Ole Miss Sports Hall of Fame.

Walker has also seen success in the hurdles. Early in his career, Walker coached Tony Dees, who won the 1992 Olympic silver medal. Antwon Hicks won two NCAA indoor

60 hurdle titles and one NCAA 110 meter runner-up finish, was a World Junior Champion and a semi-finalist in the 2004 Olympic Trials. John Yarbrough won the SEC indoor 60 meter hurdle title in 2007 and was the MidEast NCAA 110 meter hurdle champion en route to a runner-up finish at the NCAA Outdoor Championships. More recently, Lee Ellis Moore was a two-time All-American and the 2011 SEC Champion in the 400 meter hurdles.

In the women's heptathlon, Walker coached LaToya McBride to a runner-up finish in 2005, and his hepts scored in seven of the last eight SEC outdoor meets that he coached heptathletes. When coaching the high jump, Walker helped Brandy Barnett become the SEC runner-up in 1999, while Carmia Carroll made the USA World Junior team in 2005 and has participated in the NCAA meet. Reese, who became his second SEC high jump runner-up, won the Drake Relays and made the NCAA's, but chose to compete in only the long jump. Reese also was the SEC Indoor Champion in the high jump in 2008.

Nine out of the last 12 seasons Walker has had one of his collegiate athletes from his event area selected to compete internationally.

Over the year's Walker's teams have traditionally been outstanding in the classroom as well as on the track. Calvin Thigpen was a Rhodes Scholar and a GTE Academic-All American. Kirui was named to the ESPN The Magazine Academic All-American team in 2007 and 2011, and Moore earned ESPN The Magazine Academic All-American accolades in 2009, 2010 and 2011. Sofie Persson joined that group in 2011. The Rebel track and field team is also well represented on the Honor Wall at the FedEx Academic

Walker is a product of Mississippi. He was an outstanding all-around high school athlete at Utica High School in Utica, Miss. He played in the Mississippi High School All-Star basketball game following his senior year and enrolled at Ole Miss as a recipient of one of the first M-Club scholarships.

As a freshman at Ole Miss, he lettered in freshman basketball. As a sophomore, he managed the varsity basketball team. Yearning to be an athlete again led Walker to transfer to Mississippi College where he lettered in cross country, track and basketball.

Upon graduation from Mississippi College in 1969, he

began his coaching career as an assistant coach in football, basketball and track at Meridian High School.

After Meridian High School won the state track championship, Walker's alma mater called and he immediately returned to Mississippi College as the new cross country and track and field coach.

Walker was born April 11, 1947, in Oxford, Miss. He is married to the former Faye Hall of Jackson, Miss. The couple has three sons, Joseph III, Brian and Luke. Joseph is the head cross country coach at the University of Louisville.

DOUG BLACKWELL ASSOCIATE HEAD COACH

24th year
Mississippi College, 1973
Cross Country, Distances,
Pole Vault

Associate head coach Doug Blackwell came to Ole Miss in 1988 when Joe Walker returned as head coach. Since then, the duo has been committed to developing teams that are world class competitors on and off the track.

Blackwell's duties include overseeing the cross country teams and coaching the distance runners and pole vaulters during the indoor and outdoor track and field seasons.

During Blackwell's Ole Miss tenure, he has coached a long line of successful athletes including Stacy Hudson, the first female All-American in the 400-meter hurdles, Teneeshia Jones, the first SEC champion in the 100-meter hurdles and Barnabas Kirui, a three-time SEC cross country champion and one-time NCAA steeplechase champion. Overall, Blackwell has coached 19 Rebel men and women to All-America honors since joining the Ole Miss coaching staff and many more to All-SEC honors and high rankings in the school record books.

The Ole Miss cross country program has seen some of its brightest days in the last few years. Under Blackwell's tutelage,

Barnabas Kirui became the most decorated long distance runner in school history. Kirui was a three-time SEC Cross Country Champion and winner of what is often referred to as the triple crown of distance running (3,000 meter steeplechase, 5,000 meters, 10,000 meters) at the 2007 SEC outdoor championships. He also captured the 2007 NCAA title in the 3,000 meter steeplechase. He was a three-time SEC Cross Country Athlete of the Year, two-time SEC Outdoor Runner of the Year, two-time SEC Commissioner's Trophy recipient and two-time All-American. Barnabas' brother, Martin, was also a two-time All-SEC honoree in cross country (2010, 2011).

The Ole Miss women placed fifth at the 2011 SEC cross country meet for their highest ever finish, led by All-SEC Logan Waites and junior Katie Breathitt, who had the top two individual finishes in school history, as well.

Blackwell has also tutored 2010 SEC All-Freshman pole vaulter Neal Tisher, who has broken the indoor and outdoor school records for a female.

Prior to coming to Ole Miss, Blackwell enjoyed a stellar 16-year coaching career on the prep level, producing eight high school All-Americans and 15 state champions.

His teams at Greenville High School in the early 1980s still rank among the most dominant in the history of Mississippi high school track and field, highlighted by his 1982 team that scored 54 points under the old 6-4-2-1 scoring system. His undefeated 1982 Greenville team included three sub-1:51 800-meter runners (Tony Gines, Regal Perry and Othena Redfield), as well as Perry Cartlidge, who went on to become an All-SEC performer at Ole Miss.

While coaching at the high school level in Florida, Blackwell molded Ken Cheeseman, who still holds the state meet record in the mile and ranks second on Florida's all-time best list in the mile.

Blackwell began his coaching career as the head men's cross country and track coach at Moss Point (Miss.) High School in 1973-1974. He then left the coaching profession briefly to earn his master's degree in Education from Mississippi College in 1975.

Blackwell returned to the coaching ranks in 1977 as the head coach of the men's cross country and women's track teams at Biloxi (Miss.) High. Blackwell then moved to Greenville

(Miss.) High as the head coach of the men's track team and assistant football coach in 1979. From 1982 until he came to Ole Miss in 1988, Blackwell coached at Lake Howell (Fla.) High.

As a Clinton High School athlete, Blackwell was one of Mississippi's best. Excelling in cross country, football, basketball and track, Blackwell went undefeated in the mile and set the state record his senior year.

A true believer in recruiting in-state athletes, Blackwell turned down a track scholarship to the University of Tennessee to attend Ole Miss. As a freshman, he was the fourth-place runner on the 1968 Ole Miss cross country team that was the SEC runner-up, and he also scored in the 880 yard run during the indoor season. As a transfer to Mississippi College, he became a Mississippi College Sports Hall of Fame Inductee in 1992 because of his contributions to the school in football and track. An All-Gulf South Conference selection and team captain, Blackwell once held all the school distance records.

Blackwell is married to the former Sarah E. Channell, an assistant professor and coordinator of elementary education in the School of Education at Ole Miss. They are the parents of Thomas, a former Ole Miss track athlete, and Genia, a former manager for the Ole Miss track and field team.

GREG STRINGER
ASSISTANT COACH
 4th year
 Southern Miss, 1995
 Jumps, Combined Events

Greg Stringer is in his fourth season at Ole Miss as a track and field assistant coach following a 10-year stint at Southern Mississippi where he worked primarily with the Golden Eagle jumpers.

Working with jumpers, heptathletes and decathletes at Ole Miss, Stringer has already enjoyed a high level of success since his arrival in Oxford.

Stringer's work with Ricky Robertson has paid great dividends for Ole Miss. After just two years, Robertson has become a four-time All-American and four-time SEC champion in the high jump. Three times he has finished runner-up at the NCAA Championships, including both the indoor and outdoor championships as a sophomore in 2011. In addition, Brian Knight was a 2010 All-American and scorer in the high jump at the NCAA Indoor Championships, and Rachel Jenkins was runner-up in the long jump at the 2010 SEC Indoor Championships.

Robertson competed internationally at the 2010 NACAC U-23 Championships, winning silver in the high jump.

Stringer was also instrumental last season by helping Caleb

Lee earn second team All-American honors in long jump competition, as well as in the development of Kentrell Sanders being selected as a member of the SEC All-Freshman team as a triple jumper.

Also during the 2011 season, Mary Ashton Nall and Fabia McDonald were both heptathlon participants in the USA Junior Championships, and McDonald was tabbed the 2011 SEC Indoor Female Field Athlete of the Year after a school-record performance in the pentathlon.

Stringer enjoyed immediate success during his first season at Ole Miss as he coached an SEC champion in 2009. Jumper Wale Odetunde won the triple jump at the SEC Outdoor Championships and became the first Rebel since 1992 to accomplish that feat. Odetunde was named to the All-SEC first team before going on to qualify for the NCAA Outdoor Championships.

In addition to the achievements of the Ole Miss veteran, Stringer also had three jumpers make an immediate impact in 2010. Brian Knight, Lee and Aria Gaines all scored at the 2010 SEC Championships. That group also competed against some of the nation's top athletes at the USA Junior Track and Field Championships. The trio didn't disappoint on the biggest stage, as Knight finished in fourth place in both the long jump and triple jump, Lee turned in a fifth place finish in the long jump and a seventh place showing in the triple jump and Gaines place ninth in the triple jump.

Under Stringer's tutelage in 2008, Southern Miss jumper Ashley May competed in the NCAA Outdoor Championships in both the long jump and triple jump. In addition, May was named All-Region in both events as she turned in fifth-place finishes. Along the way, May set a new school record in the triple jump and placed third at the Conference USA Outdoor Championships. She also took second in the long jump in at the C-USA Indoor Championships with an NCAA provisional mark.

Stringer consistently had performers provide ample scoring for the Golden Eagles in the jumps. In 2006, he produced the Conference USA long jump title winner in Tanika Liburd. His triple jumpers finished second (Simona Costache) and seventh (Aaliyah Shareef) in the C-USA meet. His men's performers scored a total of 11 points in the C-USA meet.

In 2005, he had two performers win Conference USA titles in the women's triple jump (Aaliyah Shareef) and high jump (Krista Miller). Tanika Liburd finished second in the long jump. Liburd

recorded an outstanding jump of 21-08.75 at the LSU meet, ranking her in the NCAA top five. In 2004, two performers won Conference USA titles in the men's high jump and the women's long jump, with other jumpers scoring points in the men's long jump and triple jump. His Lady Eagles scored additional points in the high jump and triple jump.

Over his last four seasons at Southern Miss, he had 19 athletes qualify for the regional meet, with high jumper Cedric Norman winning the regional competition and finishing third in the national meet in 2003 and in 2004. Norman finished third at the regional meet and finished in a tie for ninth at the national meet. That same season, Norman recorded a personal-best jump of 7-06.00, ranking as the best jump in the world for several weeks.

In 2005, Krista Miller finished first at the regional meet in the high jump, advancing to the national meet. She recorded a personal best and school record jump of 5-11.25. Miller was a three-time regional qualifier. High jumper Kate Juedes received all-regional honors after tying for seventh in 2003.

Stringer was a two-year letterwinner for Marshall Bell at Southern Miss as a junior and senior in both indoor and outdoor track during the 1993 and 1994 seasons. He competed in the high jump, long jump and the decathlon. He took fifth place in the decathlon at the Metro Championships in 1993, helping the Eagles win their second straight Metro Conference title. Stringer followed that Metro performance with a sixth-place finish in the 1994 championships.

During his junior college days, Stringer helped his team, Hinds Community College, to the Mississippi Junior College state championship in 1990 and 1991. While competing at Hinds, he was named the most valuable athlete in the field events in 1991.

Stringer was a four-year letterwinner in track for Coach Frank Keenum at Terry High School. He was named the most valuable athlete in the field events for two consecutive years. He also lettered three years in basketball and was voted the best defensive player in the 1988-89 season.

He received his undergraduate degree in 1995 in sport administration and coaching with an emphasis in biological science from Southern Miss. He received his master's degree in education administration in 1999 at Southern Miss.

He is married to the former Angela Mickey of New Orleans, La. The couple has four children, Endia, Gregory, Erin Alexis and Gabrielle Elise.

**VANITTA KINARD****ASSISTANT COACH**

4th year

Kansas State, 1998

Recruiting Coordinator, Jumps

Vanitta Kinard is in her fourth season as an assistant coach with the Ole Miss track and field program. Kinard assists with jumps, while also serving as recruiting coordinator.

A native of Los Angeles, Calif., Kinard continues her coaching career in Oxford following stints at UNLV and her alma mater, Kansas State. She began her coaching career prior to the 2002-03 season where she served as an assistant coach at Kansas State before opting to pursue her individual career as a triple jumper.

The triple jump is an area of focus for Kinard in coaching, as well. In her four years in Oxford, she has helped develop Morris Kersh and Marci Morman into All-Americans, as both earned second-team status with their 2011 NCAA Outdoor Championships performances. She was also instrumental in Kentrell Sanders earning SEC All-Freshman team honors in the triple jump last year.

Kinard also assisted in the rapid development of three Rebel jumpers during the 2010 season. Brian Knight, Caleb Lee and Aria Gaines all scored for the Rebels at either the SEC Indoor Championships or the SEC Outdoor Championships and later competed against some of the nation's top athletes at the Junior USA Track and Field Championships.

In 2009, Kinard helped jumper Wale Odetunde win the triple jump at the SEC Outdoor Championships and become the first Rebel since 1992 to accomplish that feat. Kinard also played an instrumental role in helping sprinter LaJada Baldwin capture the individual title in the 400 meters at the SEC Outdoor Championships. Both Odetunde and Baldwin were named to the All-SEC first team, while Baldwin later became an NCAA All-American for the second straight year.

She proved to be one of the top recruiters in the country and put her stamp on the Rebel program in just her first year as an assistant coach. Kinard helped bring in one of the top recruiting classes in school history and signed eight of the top high school athletes from around the country.

As a collegiate jumper, Kinard began her career at Santa Monica Junior College where she was the 1995 California JUCO triple jump and long jump champion under legendary track and field coach Tommie Smith.

Kinard went on to transfer to Kansas State where she starred for the Wildcats from 1996-98. She was a six-time All-American at KSU as she tallied five distinctions in the triple jump and one in the long jump. In her first year with the Wildcats, Kinard finished second at the Big 12 Outdoor Championships in the triple jump, turned in a fourth place showing at the NCAA Outdoor Championships and finished 10th at the U.S. Olympic Trials.

As a senior at KSU, she won a Big 12 Outdoor Championships in the triple jump, finished third at the NCAA Outdoor Championships, placed fourth at the USA Outdoor Championships and took 14th at the qualifying World University Games.

Kinard continued her stellar career by winning her first national title in the triple jump at the 2002 USA Indoor Championships by knocking off the defending champion with a mark of 44-08.25. She then finished second in the triple jump at the 2002 USA Outdoor Championships before repeating as national champion at the 2003 USA Indoor Championships.

She nearly qualified for the 2004 Olympic Games in Athens, but her personal record of 46-04.00 just missed the qualifying standard despite her third-place finish.

Kinard has a 4-year-old daughter, Adyn.

Judge will coach the Rebel throwers, a role he served for the previous six years as an assistant coach at Indiana State.

"I am excited to have a coach with the success, background and passion that I found in Adam," Walker said. "I feel like he is a rising star in the throws coaching area and am eager to see all he can do at Ole Miss."

During Judge's time at Indiana State, Sycamore throwers won 11 conference events and competed in the NCAA Championships on six separate occasions. He also served as the program's recruiting coordinator.

MEREDITH CRANE
ASSISTANT COACH
 2nd year
 Central Washington, 2009
 Distances

Meredith Crane was hired in August 2010 as an assistant cross country and track coach at Ole Miss.

Crane's primary emphases include coaching the Rebels' distance runners and serving as assistant recruiting coordinator.

The 2011 cross country season was the best in school history for the Ole Miss women's team, as the Rebels claimed a program-best fifth-place showing at the SEC Championships. Logan Waites became the first female in school history to earn All-SEC cross country honors, while Katie Breathitt joined her to achieve the best two finishes in school history at the conference meet, 11th place and 15th, respectively. Martin Kirui placed ninth to also earn All-SEC accolades for the men.

Crane saw immediate dividends with the Rebel cross country teams in 2010, as Barnabas Kirui won his third SEC Cross Country title. The Ole Miss men placed fifth overall for their highest showing since 1996.

The 2011 track and field season saw five women's distance school records shattered, including two by Waites (indoor 3,000 and 5,000 meters) and two by Breathitt (outdoor 3,000-meter steeplechase and 5,000 meters).

After coaching at the high school level from 2006-09, Crane spent the 2009-10 season as a volunteer assistant coach at Oregon State. While there, she saw multiple school

records broken, two of which were by Sandra Martinez, who Crane also coached to school records and top state finishes while at her alma mater, Davis High School in Yakima, Wash.

In addition to Martinez's school records, Crane also guided multiple Oregon State athletes to career-best marks and NCAA performances.

Crane also coached at East Valley (Yakima, Wash.) High School in 2008, where she led the men's cross country team to a state championship appearance, while seeing two female freshmen qualify for the state meet.

As a Division I student-athlete, Crane also achieved a great deal of success. As a true freshman at Texas A&M, she qualified individually for the NCAA Cross Country Championships, marking the first time in school history that had

happened. She finished 13th at the Big 12 Conference Championships and ninth at the NCAA South Central Regional, helping her team to a third-place finish as a rookie. She also scored points for her team at the 2004 Big 12 track meet in the 10,000 meters.

She transferred to Seattle Pacific University and led her squad to a conference championship while placing second individually at the conference meet. She also finished fifth at the regional meet and again qualified individually for the NCAA Championships.

Crane received her bachelor's degree in exercise physiology from Central Washington University in 2009. She is a certified personal trainer through the American College of Sports Medicine.

Pablo Sierra (1991-93) was the first ever Ole Miss athlete to qualify for the NCAA Cross Country Championships in 1992. That same year, he became the first ever Rebel to win the SEC Cross Country Championships.

Logan Waites finished in first place in every meet in which she competed during her stellar four-year career (2008-11). She earned the highest ever finish by a Rebel woman in the SEC Championships when she placed 11th in 2011 to earn All-SEC distinction.

OLE MISS

THE UNIVERSITY OF MISSISSIPPI

Log on to www.OleMiss.edu to find out everything that's happening at the University of Mississippi.

Ole Miss was the center of worldwide attention as the host of the first presidential debate of 2008 between Sen. John McCain and Sen. Barack Obama, held Sept. 26 at the Gertrude C. Ford Center for the Performing Arts on campus.

Ole Miss was dubbed “Most Beautiful” by a Newsweek survey in 2011.

Regarded as one of the world's top sporting traditions, tailgating on football Saturdays at Ole Miss is one of those activities that every sports fan should take the opportunity to indulge in at some point in their life. Ten acres of lush green grass, watched over by majestic oak trees in the middle of the Ole Miss campus, are transformed from a tranquil picnic spot into tailgating paradise when thousands of football fans crowd into every corner of the land. Weaving through the myriad of red and blue tents, one is bound to encounter a few of the most extravagant set-ups in all of tailgating - fine china, chandeliers, big-screen satellite TVs. Of course, many tents are a bit simpler, but the unique atmosphere still encourages sundresses and high heels for the ladies and coats and ties for the men. Food and drink are abundant. "Hotty Toddy" can always be heard chanted among the trees. Champions walk through it. There is nowhere else like it. It is ... The Grove.

"In Oxford lies the most magical place on all of God's green, football-playing Earth: the Grove."
(SI on Campus)

"I still remember the first time I came here on my official visit. Walking through The Grove, the whole atmosphere was just UNBELIEVABLE."

- Patrick Willis, San Francisco 49ers Pro Bowl linebacker

WALK OF CHAMPIONS

Rebel players and coaches have paraded through the Grove and been greeted by thousands of admirers two hours before each football game since 1983.

"I can say in definitive terms that there isn't a better place to spend a college football Saturday than at The Grove, followed by an SEC battle at Vaught-Hemingway Stadium."

- Mel Kiper Jr., ESPN
